EXPERIENCE

1.2020 - Present

Anthem, Chicago

Support and maintain multiple products across several scrum teams. I am a core contributor to a digital health application that has acquired >250,000 users. I regularly collaborate with cross-functional teams across the world (e.g. Atlanta, New York, Israel, and India).

10.2017 - Present

Chicago Solutions Network, Remote

Manage product, design and development projects for various independent clients. These projects often include two to five direct reports.

11.2016 - 7.2018

NewFounders, Remote

Managed design, development, and product. Oversaw office functions (payroll, legal, etc). Guided multiple products from conception to completion and acquired several thousand active users.

3.2016 - 2.2017

Wellright, Chicago IL

Led product design efforts across web and mobile. Implemented front-end frameworks for web services. My updates to UI/UX resulted in over \$1M in sales for first time in company history (more than 100% increase YoY).

1.2015 - 1.2016

Fooda, Chicago IL

Led product alongside the CTO. Managed team of 11 (across 5 products), including local, remote, and international teams. Overhauled web and mobile products that coincided with rapid customer growth and revenue exceeding \$1M per month.

7.2013 - 10.2014

Uppd, Chicago IL

Built a multi-platform, interactive advertising application that leveraged the social graph and incentivized direct product trials. Raised \$25,000 and qualified as finalists for Chicago TechStars 2014.
